Speed Limit

Just a reminder to **EVERYONE**, the posted speed limit in our subdivision is 25 miles per hour. Please be considerate and **SLOW DOWN** when driving through the neighborhood, especially when passing those who might be walking with their children, pets or riding their bikes.

Pasta Primavera

1 large carrot
1 small onion
2 stalks celery
1 large red bell pepper
1 bunch of asparagus
¼ cup butter
¾ lbs. fettucine
¼ lbs. sugar snap peas
1 cup heavy cream
¼ cup Parmesan cheese
2 tbsp. chopped fresh dill
1/8 tsp. salt
1/8 tsp. black pepper

Peel and finely chop the carrot, onion and celery. Deseed and slice the red pepper into thin strips. Trim and cut the asparagus into 2-inch pieces.

Melt the butter in a large skillet over low heat. Sauté the carrot, onion and celery, stirring occasionally, until softened, 8-10 minutes.

Meanwhile, cook the pasta according to the package directions. Add the red pepper, sugar snap peas and asparagus 4 minutes before the end of cooking time. Drain well and return to the pot.

Stir in the carrot mixture, cream, Parmesan and dill. Cook low heat for 2-3 minutes, tossing all ingredients until well coated. Season with salt and pepper. Serve immediately.

Community Garage Sale

A community Garage Sale has been scheduled for April 30th 8am to 3pm. Please get with the Sky Lakes Social Club if you plan to participate in this event. You may reach out to them by emailing them at skylakesocial@aol.com or by simply following updates posted on the Facebook page. There is a \$5 fee associated with the participation which helps cover the costs of running the ad in the Waller Times and display signs throughout the community directing them to the subdivision.

Sky Lakes Social Club

The Ladies Night Out (LNO) is held on the first Monday of the month and is a great time to visit with your neighbors. If you have not attended a LNO dinner, please plan to attend soon. Check www.skylakes.com or our Facebook page to find out more details. Email skylakessocial@aol.com to join and get community news and notices.

New Construction

Please note, per Section 4 of the Deed Restrictions, "No structure shall be erected or placed on any residential lot without prior approval of the Building Committee. The owner shall submit all building plans, septic plans and plot plans or any other information required by the Building Committee for approval before beginning construction."

You may submit these requests via email to contact@skylakes.com.

Lot Maintenance and Upkeep

We understand with the recent rains it makes it difficult to keep up with mowing your lots. We just ask that you make an effort to keep the grass cut. This helps our neighborhood look nice and helps deter unwanted visitors.

If we had no winter the spring would not be so pleasant.
